Dear Parents and Guardians:

We are excited to be back in school full time. The pandemic has challenged us but together we have found some interesting and resourceful solutions. Please remember that parents who would like to speak with a staff member in person need to call ahead and book an appointment.

**Daily Health Check-** please make sure to complete the daily health check for each of your children.

**New bell schedule:** Our day begins at 8:33am and ends at 2:45pm. Elementary recess is now from 10:15-10:30am.

**Please welcome:**

Our new bus driver for Brandi's run- is Ms, Ute Brinton

Our new kindergarten students are beginning today. They will be coming this morning, tomorrow afternoon, and full days on Thursday and Friday.

Mrs. Armstrong is back and is as our Grade 2 Teacher

Miss Davis was married this summer and is now Mrs. Rozon and she is teaching Gr 7-9.

**Bussing Changes-** Busses will have no eating or drinking, students will be assigned a seat and secondary students will wear their masks getting on, during the bus ride, and when getting off and heading into the school.

We will not be able to accommodate students changing busses for playdates or other events, due to the safety restrictions that have been put into place.

**Allergy Update-** We are fortunate to have only a few people with allergies at this time. We are a nut aware school so if you are eating nuts please be careful to dispose of it appropriately and to wash your hands and any surfaces. Specific classes will be notified if further accommodations need to be made in their classroom.

**School Fees-** Fee lists will be coming out shortly. Due to covid-19 we did reduce your costs for elementary school supplies for this year as we recognize that many people's finances were impacted.

**Sports-** although there will not be any district competitions, we will still be offering some sports here at the school. Coaches will let you know the grade level and the practice times as soon as they are ready. We will continue with the regular season times, starting with cross-country running and soccer for elementary and volleyball for secondary. As our intermediate students are all in one cohort they will be able to play games against each other in gym, intramurals, and specific sports. This is also true for our secondary students.
