Dear Parents and Guardians:

Clothing: We are looking forward to some warmer weather and should be able to be using all of the play fields soon. Thank you for continuing to send appropriate wear for the conditions as they not only change daily but throughout the day.

Rik Leaf: We are excited to have Rik Leaf here May 3-6th to work with all of our students. This will be a fun time.

Speeches: Congratulations to our grade 4-6 students who took part in our school speech contest. The students did very well. Brody Newsham earned 1st place, Mary Leuenberger 2nd place, and Charlie Vibert and Kailey Amboe shared third place. Brenden Hatton, Lily Meekes, and Corben Newsham also participated and did very well. It takes a lot of courage to get up and speak in front of your peers.

Chicks: We are hatching some chicks in our K/1 classroom in a couple of weeks. The students are excited to see the new babies.

Talent Show: Students are busy practicing for the auditions for the virtual talent show that will be shown on Wednesday, June 23rd. **The auditions are on May 12** just to make sure they are suitable for school. The actual filming will take place later. We have a lot of great talent here so we are hoping that students will be willing to show everyone else.

Track Meet: We are hoping to have our school track meet in June as there will not be a district meet this year.

Bike to School: The last day of May and the first week of June is the bike to school week and anyone who would like to participate is welcome to do join in. The RCMP will be here on Monday, May 31st at 8am to help with traffic control. We are thinking of having primary students start at the Edwards' place (if they are able to bike 1km) and bike to the school. For older primary and/or intermediate students we were thinking we could go from the Hatton's which is about 5km. If students are planning to bike farther then that they must be wearing a vest (we will provide) and let us know so that we will be on the lookout for them if they do not arrive on time. If you would like to bike with your child/ren please join us or if you can help with some traffic control that would be great too. Some of the staff will be biking most days and students are welcome to join us. Students are welcome to bike from their own houses if they are able. ☺
